## SELONG BELANAK BEACH

9.30 AM - 2 PM

Selong Belanak Beach, recently rated as one of the best beaches in Asia by TripAdvisor is a must visit during your holiday in South Lombok.

It will take around 30min until you arrive at the beach. Kilometer long beach with white sand, blue colored water and gentle waves invite you to spend your day there.

Selong Belanak is famous for its gentle waves and is the best beach in Lombok to learn surfing. The many surf shops make it easy to rent a board and to get a lesson from one of the local surf guides (optional – extra charge applies).

Before returning to Novotel Lombok, enjoy lunch at a local restaurant overlooking the magnificent Selong Belanak Bay, where you can relax and take in the stunning coastal scenery.

## PINK BEACH

9 AM - 3 PM

Tangsi Beach, better known as Pink Beach is on the island's far south-eastern shore, and it's one of the only 10 pink sand beaches in the world. Indonesia boasts two beautiful pink beaches – the other is on Lombok's neighbor island, Flores.

The waves bring millions of dead red coral fragments to the beach, blending them with the white sand and giving it its glorious pink tint.

Your guide will drive you to Telong Elong harbor – around 60min drive from the hotel. There you will get on your private boat and you will make your way to the most eastern tip of Lombok. On the way to the pink beach you will stop at a sand bank island (depending on the tide), some snorkeling spots before going to the pink beach for more swimming and relaxing.

A hidden gem untouched by mass tourism due to its secluded location, Tangsi Beach is a perfect destination as part of a memorable day out exploring the unique natural beauty of Lombok.
