OUR COMMITMENT TO HEALTH & WELLBEING

As we navigate through the ongoing pandemic, Raffles Singapore continues to embody the philosophy that guides our service excellence, whilst maintaining the highest hygiene standards to safeguard the health and wellbeing of all guests and colleagues. We have introduced enhanced measures adhering to the highest levels of cleanliness protocols providing assurance that these standards are being met and surpassed.

The hotel has been officially certified by the local authorities as adhering to the SG Clean programme requirements for cleanliness and hygiene safety. In addition, we have also launched the Accor ALLSAFE Cleanliness & Prevention Label, which represents some of the most stringent cleaning standards and operational protocols in the world of hospitality, standards of which have been vetted by Bureau Veritas, a world leader in hygiene and cleanliness inspection.

ENHANCED HOUSEKEEPING

To ensure a more comprehensive cleaning of our suites and facilities, housekeeping services have been intensified with special care devoted to high-touch surfaces and high-traffic areas.

COLLEAGUES

HEALTH CHECKS

All guests and suppliers will undergo a temperature check and receive health declaration forms upon arrival. Appointed SG Clean Manager to oversee the hotel’s practices.

Use of SafeEntry system via scanning of QR codes to facilitate logging of visitor arrivals and contact tracing.

HYGIENE PROTOCOLS

We have embraced the best practices in cleaning standards including increased sanitisation, audited regularly by our hotel's safety committee, in partnership with international hygiene specialists.

ENHANCED HOUSEKEEPING

To ensure a more comprehensive cleaning of our suites and facilities, housekeeping services have been intensified with special care devoted to high-touch surfaces and high-traffic areas.

MONITORING WELLBEING

Nutrient-rich meals provided for all colleagues on duty in a safe distancing adapted facility.

Colleagues displaying related symptoms will be advised to see a doctor and rest at home until they feel better.

HEALTH CHECKS

Twice-daily temperature checks and personal protective equipment such as masks and gloves are provided for colleagues' safety.

Hand sanitisers are strategically placed throughout the hotel and at high-contact areas.

OPTIMAL OPERATIONS

Colleagues continue to work from home while optimal manning on-site ensures that the hotel is able to operate at maximum efficiency.
