JAKARTA CENTRAL PARK

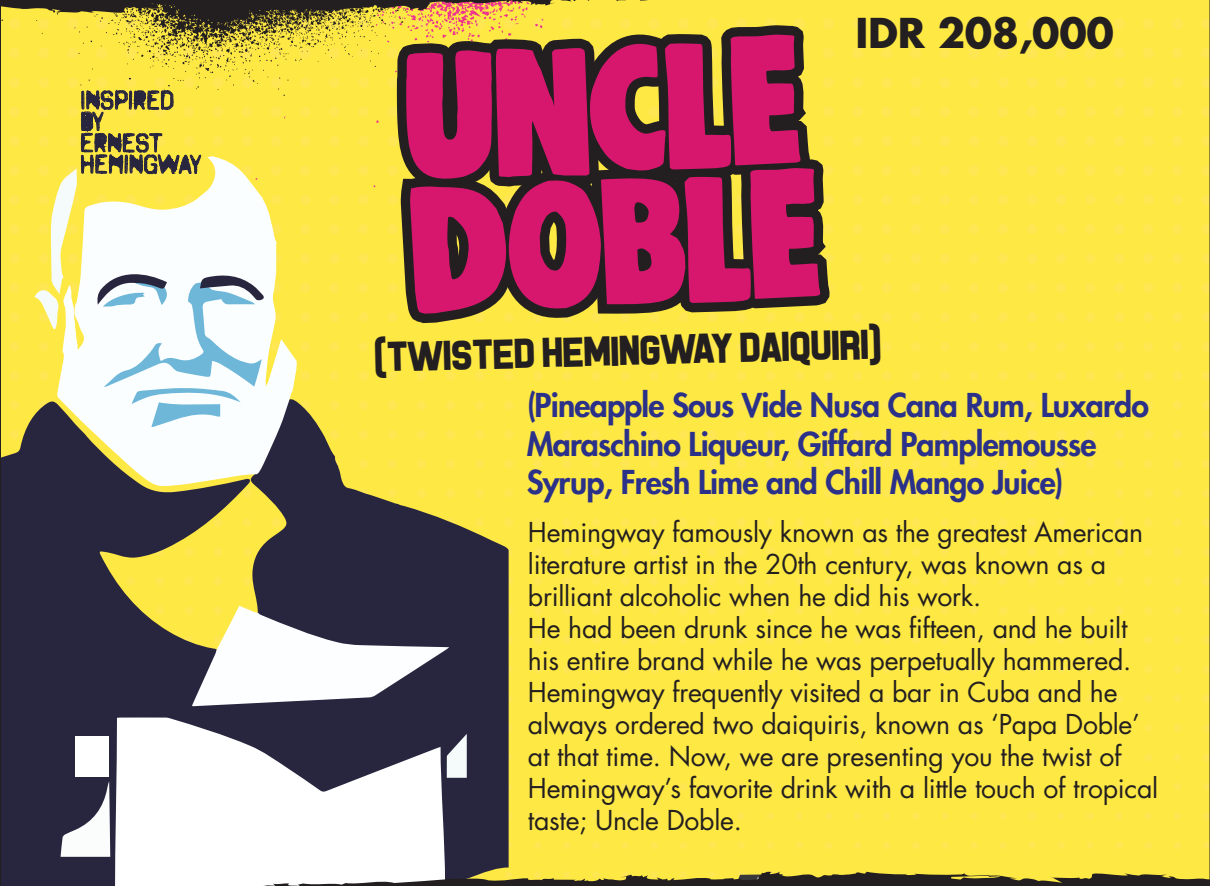

**IDR 238,000**

(Beeswax infused Jack Daniel No. 7, Borneo Honey, Java Palm Syrup, Peychauds Bitters, Oak Chips Smoke)

We fell in love with Sinatra for his marvelous talent in singing and acting in the 20th century. Whiskey might have played an important part in his career as he used to drink it every night. We elevate Sinatra's favorite drink by making it deeper, more oak tones, with intense wood flavor and a strong finish, with a hint of Borneo and Java sweetness – just as Sinatra would have liked it.

She was the revolutionary Mexican painter who feminine at heart. Frida smoked, partied hard and continued drinking tequila, even on her death bed. Kahlo contracted polio at the age of 6, and had an almost deadly accident at the age of 18

"Feet, what do I need you for when I have wings to fly? You didn't understand what I am, I am love, I am pleasure, I am an idiot, I am alcoholic, I am tenacious, I simply am, You are a sh\*t my love. I drank because I wanted to drown my sorrows, but now the damned things have learned to swim. I am not sick, I am broken, but I am happy to be alive as long as I can paint."
