THE STORY OF MIZUKI

Mizuki's love for whiskey began with her uncle, a whiskey importer in Tokyo. They traveled the world, tasting rare whiskies and learning about the craft. In Paris, Mizuki found her second home and embraced French culture. Inspired to share her passion, she opened Maison Mizuki, a bar where whiskey lovers could gather for a global selection of whiskey, authentic sushi, and artistic cocktails. The bar quickly became popular, and Mizuki felt fulfilled, knowing she had created a place where people could connect over their love for whiskey. Maison Mizuki is her true home and a tribute to her uncle's legacy.
