The art of *sleep*

Discover our curated recommendations for a perfect night's rest.

Listen *soft*

Soothe your mind with a relaxing playlist from our residence DJ Mosey. In addition, we offer white, pink and gray playlists to further calm your mind for optimum sleep.

Feel *cool*

Based on scientific research, optimal sleep can be achieved in a cool room. Regulate the temperature between 15-21°C according to the local season.

Move *slow*

- To fight jet lag and reduce the stress of traveling:
- Practice physical activity in natural morning light if you traveled towards the East.
 - Practice physical activity in natural afternoon light if you traveled towards the West.

Rest *well*

Indulge in the comfort and softness of Sofitel MyBed™, the perfect cocoon to calm your body and mind.
