CARTE DES VINS...

“Accept what life offers you and try to drink from every cup. All wines should be tasted; some should only be sipped, but with others, drink the whole bottle.”

-Paulo Coelho

Wine making started around 550 B.C.; we are just maintaining the legacy. This informs everything we do. Starting from selection of the best wines to serving and everything in between. Everything is curated with a focus on the authenticity and the passion behind. It is a cliché among winemakers that “wine is made in the vineyard.” The process of wine tasting says we should look, smell, taste and think the wine.

At Pullman Novotel, we offer you with the exclusive collections of Old World Wines to New World Wines, providing with a unique selection from the best of the vineyards across the World.
