WHAT THEY CARRY WITHIN.

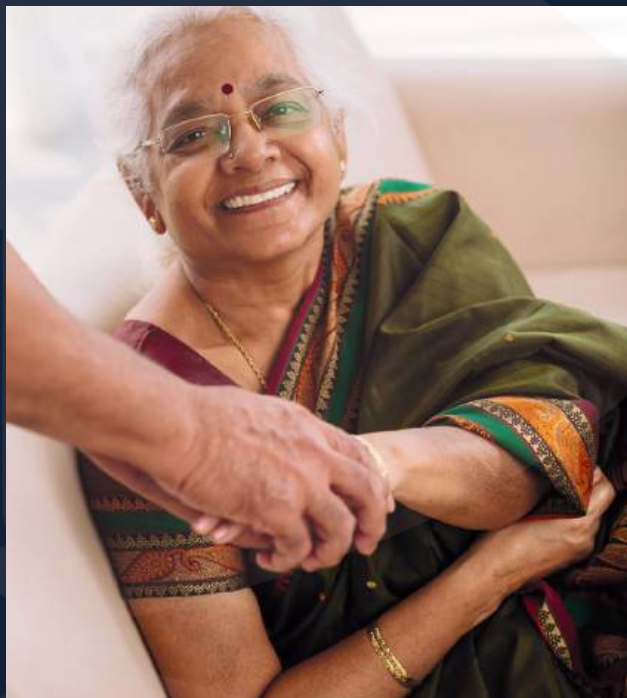

LAUNCHING CELEBRATION GIFTING

BY ALL ACCOR

The best gift is a work of heart. One that elevates a moment and gives it expression when words fail. And the best moments do have a habit of leaving us speechless. When it comes to such priceless moments and the people who make them priceless, we look to the exceptional.

FOR MOMENTS
& OCCASIONS

WHEN WORDS
FAIL US.

Thoughtful, intentional and mindfully curated, Accor believes that gifting is often a silent expression of love. And hence it must choose its language well.

ACROSS SEASONS,
THROUGH TIME AND NOT
JUST BY THE CALENDAR.

READY FOR WHENEVER
THE OCCASION IS RIGHT.

Choose from our curated range of bespoke gifting options. Our team would be happy to help should you have further queries or any specific requirements.

LOVE KNOWS
NO BOUNDS.

Our Diwali collection is sure to light up smiles. A mix of carefully curated edibles and non-edibles bearing the province of origin, they carry flavours that blend the festive spirit with sophistication. To be remembered longer.

WITH GIFTS THAT
PACK GOODNESS.

LIGHT UP
THIS DIWALI.

From Pishori Pistachio and Himalayan Honey to roasted wholesome Sattu and from delicate flavours of Rose petals to the bright, tangy notes of Sea Buckthorn — a hardy Himalayan superberry, our collection stays eclectic.

OUR GIFTS.

DISCOVER A GIFTING AND CELEBRATIONS PROGRAM THAT MEANS ALL WHEN IT SAYS ALL.

The best gifts in life are not the ones that start with us. They are those that start and renew with those we love. In a world that can sometimes be overtaken with selfies and I-me-myselfs, what stands out is a gift of love that is all about its audience. No matter the size or flavour of the occasion.
