SOUTH AUSTRALIA

South Australia is known as Australia's wine capital. Experience stunning wine regions less than an hour away from Adelaide city.

With more than 200 cellar doors and 44% of Australia's vineyards on its doorstep, Adelaide is the undisputed wine capital of Australia and one of the nine 'Great Wine Capitals of the World'. South Australia is internationally renowned for its wine regions, which in total produce over 48% of Australia's annual wine volume.

At Pullman Adelaide, we have created a list that celebrates all that South Australia has to offer. This wine selection has been designed to take you on a tasting journey from the Crisp whites of Eden Valley, to the dark, strong, characterised reds of the Barossa and Coonawarra. Each wine is carefully selected in order for you to take a journey around this great State - without
