THE AMAZING RACE

Based on the hit TV show "The Amazing Race", this activity is an action-packed team-based adventure. This scavenger hunt style event is designed to encourage teamwork through a fun shared experience. We tailor the start & finish location to suit your team with an emphasis on fun activities rather than distance travelled!

SURVIVOR

Survivor is a fun event aimed at improving morale, promoting teamwork and helping teams connect through a fun competitive experience. Your group will be divided into teams (tribes) that compete to Outwit, Outsmart & Outplay their opponents in a series of lateral thinking, problem solving & teamwork challenges.

AQUEDUCT

Aqueduct is a fun team activity that encourages collaboration. Participants will need to channel their problem solving, creative thinking and communication skills to create a working "aqueduct". The aim of the game is to distribute water (outdoors) or a glass marble (indoors) along the pipeline from Point A to Point B.

LEGO SERIOUS PLAY

From strategy to culture to product design and innovation; the LSP method cultivates a deeper and richer transfer of ideas. Using Lego & the guidance of our accredited LSP facilitator, members of your team will construct model representations of their ideas and express them using storytelling and metaphor.

APPVENTURE RACE URBAN EXPLORER

The APPVENTURE Race Urban Explorer is an exciting contemporary take on a scavenger hunt style competition that allows teams to complete challenges in your chosen area. This app-based challenge incorporates strategic thinking and innovative solutions to get your team thinking outside the box!

BATTLE OF THE MINDS

Battle of the Minds is a fast-paced, high-energy event and will have teams zooming around the conference room trying to complete a variety of tasks within a limited timeframe. From maths puzzles to origami challenges, this event has something for everyone & is the perfect energy booster for a tight schedule.

BIG PICTURE

The Big Picture is an art based event that helps to reinforce a particular message to your team. Teams will be provided with a theme and a unique shape that they must include on their canvas. Once the paintings are all completed, the canvases are put together in a specific order to reveal the "Bigger Picture" to the group.

DRUMMING WORKSHOP

Get your team working in rhythm with this energetic drumming workshop that focuses on the power of working together as ONE TEAM! Drumming is the ultimate test of team cohesion with all members required to work together as one.

RANSOM

Your boss has been taken hostage! It's up to you and your team to take on challenges, solve the clues and rescue them from their captor. This is an outdoor event sending teams to various sites around the local area with all teams converging on the final location with their ransom money. Who will be the first to save the boss?

ESCAPE [NSW ONLY]

You're trapped and you have a limited number of clues to help you and your team escape! Each team has 90 minutes to decipher a series of brain teaser puzzles and unlock the secret code. The fastest team to crack the code and break free from the room is crowned the ultimate winner! Only in NSW.

TEAM CHALLENGE

Are you looking for a unique way to inject some fun into your agenda? Why not re-energise your team with our Team Challenge activity! Your delegates will love the entertaining activities provided; from ice breaking challenges to lateral thinking, everyone will be thankful for the well-earned fun!

ICE BREAKERS

Does hearing the word 'icebreakers' make your team groan? Turn that frown upside down with team building challenges and get to knows' that are so fun they make you forget that you're breaking the ice! This event is perfect for placing at the beginning of a conference or before the main event to set the atmosphere for the day.

SHARK TANK

Employees are on the front line of business and they often have great ideas that are never heard. This program gives your team the opportunity to get their ideas out into the open for review by Management. Teams have 2 hours to innovate with uninhibited access to management for a fast paced ideas exchange.

BIKE BRIGADE

Your delegates will need to problem solve, prioritise and work together to build a bike from scratch that will ultimately be donated to under-privileged children. After a moving presentation from the charity representative, your team will be uplifted when the children arrive to receive their brand new bike from your delegates.

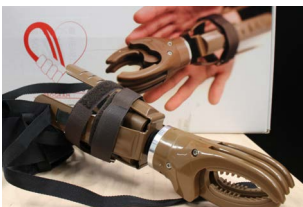

BRIGHTER FUTURE

Brighter Future's mission is to provide safe, reliable and effective solar energy solutions to communities who suffer from the effects of energy poverty. We believe that renewable energy has the ability to change lives forever, providing future generations with the opportunity to reach their full potential.

CHARITY CHALLENGE

Charity Challenge is a fun and engaging fundraising event where teams compete to raise the most for a charity. This is an alternative way for your company to make a corporate donation and involve your team in the process. The team who has raised the most money will have the honour of presenting the donation to charity.

HELPING HANDS

More than just a team building activity, participants build prosthetic hands that are then donated to amputee landmine victims throughout the developing world. The activity empowers every participant in just a few hours to make a real and lasting contribution whilst engaging in a truly purposeful activity.

RACE FOR A CAUSE

This is a fast paced, action packed Corporate Social Responsibility (CSR) event that culminates in giving back to a charity organisation. The event is based on our Amazing Race program that sees teams of delegates competing to outperform their opponents at a series of roadblock team challenge activities.

TOY STORY

Toy Story is a fun event that evokes a sense of pride in your organisation through corporate social responsibility. This 2 hour event is centred around teams undertaking team-based tasks to earn toys that are ultimately donated to charity.

WATER WORKS

Teams build water filtration units for areas of the world experiencing a high volume of waterborne illnesses from their drinking water. Water Works is a truly unique opportunity for organisations to get involved in a worthwhile cause while building team relationships.
