THE GIFT OF APPRECIATION

The Mid-Autumn Festival is a harvest festival celebrated notably by the Chinese and Vietnamese people at the time of the 15th day of the 8th month of the lunar calendar, a full moon night. 2019 Mid-Autumn Festival falls on September 13th (Friday).

As with every festival, the Mid-Autumn Festival has its own special food – mooncake. It is a kind of cake with various fillings and different artistic patterns on the surface depicting the legends of the festival. Generally, it is round, as the Mid-Autumn Festival is a time for family reunion, and “round” has a similar pronunciation with “reunion” in Chinese.

It can be used as a gift of love, appreciation, and care to the people that you treasure. Our Mooncake box features a combination of four flavors: Red Bean, Lotus, Tiramisu and sticky green tea.

Should you wish to order or purchase Moon cakes, please contact the reception today...

GOLDEN BRIDGE (BA NA HILLS)

A must see destination in Danang

It is located in the Thien Thai gardens at the Ba Na Hills. Nowadays, you can reach Ba Na Hills by single – track cable car. Golden Bridge is a part of the entertainment area from early June 2018 and becomes another reason to explore the ever-popular destination of Danang City.

Nested at the height of 1,414m from the sea level, the Golden Bridge is no less than an iconic architectural wonder that envisages the sash-like route across the heaven. Spanning nearly 150m long in the Paradise Garden, this bridge is regarded as a special transit stop to deliver visitors from the mountain foot or the French Village to La Jardin D'Amour Gardens. The bridge measures 12.8m wide and nearly 150m long and comprises 8 arches, the longest of which is 21.2m.

Organize your trip to Bana Hills daily with our reception team!
