Destination Wedding

Wedding at secluded island

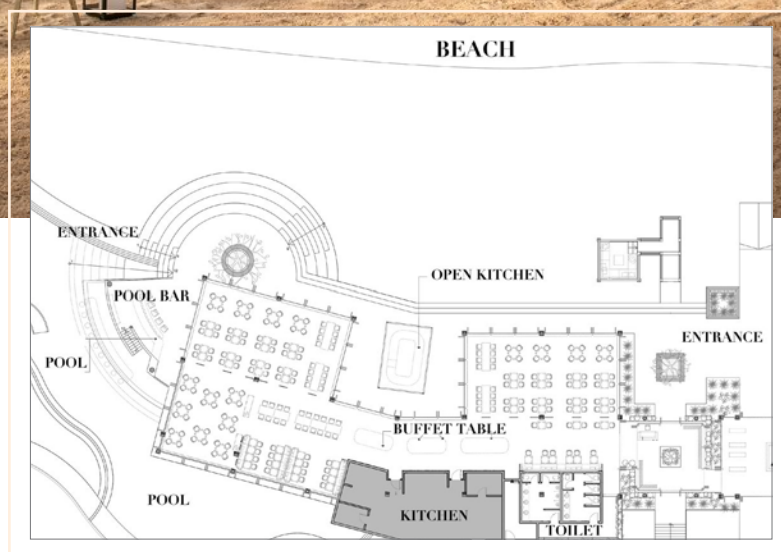

Well-known as the paradise Pearl Island of Vietnam, Phu Quoc has become one of the most iconic, beautiful and romantic destinations for a wedding ceremony where you will find the natural look of white sand and lapping clear turquoise water waves as eternally romantic wedding backdrops.

At Premier Village Phu Quoc, we are proud to provide a luxury sand venue and the stunning waterfront views that you crave, offer perfect settings for your wedding ceremony and ensure every moment of the special day reflects your unique love.

Nestled between a lush tropical forest and splendid stretch of pristine white sand beach by panoramic ocean view of the sunset, Corallo offers a unique beachfront venue where you can alternatively choose to dine under stars or have an open-air ceremony and dance until dawn at beach.

The resort is also available for private buy-out weddings on island exclusively.

The image features a minimalist design on a white background. In the center, the words "Wedding Packages" are written in a large, elegant, orange-brown script font. Surrounding the text are several sprigs of baby's breath (Gypsophila) with small white flowers and a few green leaves, arranged in a way that frames the central text. The overall aesthetic is clean and romantic, typical of wedding-themed branding.
