

Announcement: Change of venue for the Premier Lounge Breakfast

For various reasons, the Premier Lounge breakfast is currently being served in one of two different venues:

the Premier Lounge on the 15th floor or the restaurant located on the 2nd floor.

However, we have received many requests and feedback to consolidate these venues for breakfast.

After much consideration, we have decided to serve all breakfast in the restaurant

『Food Exchange – Avancer』 beginning December 1st of this year.

As always, we sincerely appreciate our guests' feedback and continue to strive in becoming a hotel deserving your trust and loyalty.

Thank you for your cooperation and continued support.

■ Schedule ■

Beginning Dec. 12th (Thu.) 2022, all breakfast will be served in

『Food Exchange – Avancer』 (2nd floor) .

Tea Time, Cocktail Time, Evening Tea Time will still be served in the Premier Lounge on the 15th floor.
