PULLMAN SPA – A REALM OF RELAXATION

At Pullman Spa, we understand that everybody is different every day and our bodies change throughout the moments of each day.

Our wellness experiences are designed to match these moments, ensuring energy is restored, relaxation achieved and blissfulness bestowed.

Tucked away in a far corner of the resort, the Pullman Spa takes full advantage of its seclusion to deliver a truly serene experience. Classical spa features here are set with modern design and the layout exemplifies the sense of space that the entire resort offers. The entrance itself sets the mood for relaxation, pampering and wellbeing - beginning with the Relaxation Pavilion set apart from the individually secluded and private treatment Pavilions aptly named after local waterfalls.

Pullman Spa offers the most extensive spa services in Luang Prabang – including classic Thai massage with Lao influences as well as a Beauty Salon offering pedicure and manicure services. Therapists are thoroughly trained and they make use of Ysara premium spa products.
