

# VITALITY FOR THE BODY: BOOST YOUR WELL-BEING

Vitality is the Swissôtel programme to help you invigorate your body & mind at your own time and in your chosen comfort zone

Our bodies are designed to move. We make it as easy as possible for you to be active and be in the moment. Switzerland is our home and we infuse our Alpine approach to Vitality into what you will see, touch and experience.

Health and happiness go hand-in-hand.

Stepping away from your everyday life to relax and feel restored is no longer considered an indulgence and is increasingly becoming a necessity in our fast-paced world.
