

The image features a dark, almost black background with several vibrant pink brushstrokes. These strokes are thick and expressive, appearing as if painted with a brush. They are located in the top-left, bottom-left, and bottom-right corners, framing the central content. A thin, solid pink rectangular border is centered on the page, enclosing the text.

SOM'S TEA SELECTION

BLACK TEA

6 each

THE MORNING AFTER

This is a straight up blend of black teas from India (shorter leaf) and Southern China (larger leaf) which results in a solid brew of a medium to strong tea. It is the perfect cup of tea to savor.

SOM'S SPECIAL GREY

This is not a strong tea, the bergamot, citrus and lemon grass dance upon the tongue as you sip. Refreshing yet soothing enjoyable.

JAFa BLACK

JAFa Black blends a twist of orange with a hint of vanilla on a base of Ceylon tea. Tipping our hat to the iconic NZ sweet by the same name while acknowledging Auckland, the City of Sails.

SMOOTH RANGITOTO BLEND

The very best Assam leaf tea blended with pieces of Madagascar vanilla pods. Unlike other vanilla teas, the flavouring of the Rangitoto blend does not rely on oils or essences, making it the perfect malty and sweet mixture - velvety smooth on the tongue with lovely bright copper colour.

HERBAL BLEND

6 each

WARMING ANTI CYCLONE

When the weather gets bad or the throat starts tickling, you'll want to reach for the Anti Cyclone tea immediately. A great herbal blend to help fight coughs, colds and ailments. Aniseed is known as a carminative and expectorant, fennel as an anti-inflammatory and antispasmodic whereas peppermint is beneficial for lung and sinus congestion, muscle spasms and inflammation.

MANUKA & FLOWER DETOX

Beautiful detoxifying tea with dandelion flowers to assist liver and kidney function. Lemon balm, fennel and peppermint act as a carminative and to aid digestion, nettle may assist high blood pressure and joint pain plus an array of flowers and leaves to assist the detoxifying process. A fabulous all-round herbal tea for inner health sweetness, a treat for the tea connoisseur and lovers of white tea.

ROOIBOS TEA

6 each

SO SPICY

Tea with chocolate covers a variety of addictions in one sip! This is not a strong spice blend, rather the perfect balance of chocolate-cinnamon-mocha flavors. A smooth and mellow drink.

ROOIBOS VANILLA & BLUEBERRY

A simple yet beautiful blend of vanilla and blueberries overlaid on red bush tea. Ideal for drinking at any time.

SOM'S TEA SELECTION

GREEN TEA

6 each

PHOENIX DRAGON PEARLS

Jasmine flowers are picked early in the day when the small petals are tightly closed. The flowers are kept cool until nightfall. In the early evening when the flowers begin to open, the green and white tea is blended with the Jasmine flowers and stored overnight. The night blooming Jasmine flowers then open and release their fragrance into the tea. It takes over four hours for the tea to absorb the fragrance and flavour of the jasmine blossoms; this process is repeated at least three times to produce an exquisite tea.

FENG SHUI

Feng Shui describes the Chinese system of divination that uses the laws of both heaven and earth to improve life by receiving positive energy. This remarkable Sencha blend of fruits and flowers will energise your taste buds with its light sweet raspberry, pineapple, papaya and carrot flavour.

CHINESE GUNPOWDER

Gunpowder originally comes from the Zhejiang province in South-East China and was the first Chinese tea known to the world. The tea is named after its shape, which looks remarkably like shot pellets or gunpowder. Upon infusion the bright green leaf opens quickly to become large and flat. The tea has a tart-like taste.

BLUE TEA (OOLONG TEA)

6 each

OOLONG, GINGER & EUCALYPTUS

A green oolong tea, only very lightly fermented, leaning more to the style of green tea. The flavours are not as bold as one might think by their names. This is rather a subtle and perfectly balanced blend, not medicinal in strength. A truly refreshing and soothing tea.

WHITE TEA

6 each

GOJIBERRY & RASPBERRY

Much loved for its pureness and light taste, white tea is a natural base for the addition of gojiberries, raspberries and a hint of bergamot. White tea and gojiberries are also loaded with nutrients, great for the skin and eyes.

PREMIUM CHINA SNOWBUDS

Orange Pekoe quality white tea buds from the Fujian province in China. Only buds that are closed or barely opened are used in this very large leaf specialty tea. The taste is dry and sweet.

SOM'S TEA SELECTION

SMOKY TEA

6 each

THE BIG SMOKE

The Big Smoke is a special blended black tea, scented with pine-wood smoke which impregnates the leaves, imparting a sweet, clean and smoky flavour to the tea and golden coppery colour in the cup. The dimensions of smoke experienced in one cup is like no other.

Like Scotch whisky, you can enjoy on it's own or with food.

FRUIT TEA

6 each

OTAGO SUMMER FRUITS

The stone fruits of Otago are New Zealand renowned, making a light, sweet and delicate fruit infusion.

Pretty rose buds and fruit pieces provide a feast for the eyes.

MANGO MAGIC ORGANIC

Subtle mango flavours blend well with rosehip, hibiscus, apple, orange and lemon to make a rewarding brew. Great source of vitamin C and excellent for your skin.
