Emergency Guidance

1. Safety

Kyoto Yura Hotel MGallery Hotel Collection, has been constructed in strict accordance to statutory regulations, and is equipped with the most advance emergency surveillance and detection system.

Please note the clearly-marked fire exits on your floor and take note of the exit plan located on the inside of your guest room door. Should there be thick smoke, you may have difficulties locating these exits, so please take time to observe the following points:

- Make certain where two emergency exits are from your room.
- Visually recognize where emergency light is located in your room.
- Check the location of the fire extinguishers / hose reels and alarms in the corridor of your floor.

2. In Case of Fire

- Activate the nearest fire alarm by breaking glass of the fire alarm.
- Leave the building if possible using the nearest exit staircase. Do not use the elevators.
- Close all doors if you are not able to leave your room.

3. Evacuation Procedures In Case of Fire

- Take your room key, a moist hand towel and move cautiously. (Take your room key, cover towel over your mouth and nose, and move cautiously.)
- Feel temperature of the door and handle with the palm of your hand. If the door or handle is hot or abnormally warm, do not open it. If the door is not hot, open it carefully and be alert of the possibility of nearby fire and/or smoke.
- If there is smoke in the corridor, stay as low as possible. Crawl on hands and knees if necessary.
- Proceed to the nearest emergency exit, do not use elevator.
- If your exit is blocked, go back to your room or to the roof and wait for rescue. Stay calm.

4. If You Require Personal Assistance

- Advise the hotel operator or front desk as soon as possible.
- Most fatalities occur from smoke inhalation, not from burning. Always stay low to the ground if there is any smoke present.
- Use emergency exit, and do not use the elevators.

Emergency Guidance

5. If You Must Remain In Your Room

- Do not panic. You can stay in your room and still survive a fire.
- Turn off the air-conditioning.
- Fill the bathtub or the basin with water (as a water reserve)
- Stuff wet towels and sheets around door seal and air vents. Use the waste basket to bail water from the bath-tub if smokes seep in.
- Remove drapes from the window.
- If the air becomes too smoke-laden, break a window with a chair or drawer. Do not break a window if smoke or flames are rising outside from a lower floor.

6. If a Fire Starts In Your Room

- Evacuate your room immediately.
- Close the door securely behind you.
- Activate a fire alarm and notify your immediate neighbors.
- Call the hotel operator on the nearest telephone and leave for a safe area using the emergency exit.
- Use emergency exit, and do not use the elevators.
