ABT: A low impact-high intensity workout, focusing mainly on the abdominal, butts and thighs to banish excess bulge

AROMA YOGA: Incorporates aromatherapy and Vinyasa yoga movements for balance, relaxation and meditation

BARRE SCULPT: Beginner-friendly class that helps develop long lean muscle, and improve your physique and posture

DYNAMIC YOGA: Rigorous workout that develops strength, flexibility and balance with the use of continuous yoga movement. It synchronizes breath and movement to help the body energy flow

HATHA YOGA: Using the breath to link the body and the mind with classical yoga poses, it builds flexibility and strength at a slower pace during the lesson. This well-rounded style balances and opens the body

PILATES: This session focuses on body alignment, muscle lengthening and endurance building whilst stretching muscles and releasing tension

VINYASA YOGA: A vigorous style of yoga based on a rapid flow through sun salutations. Vinyasa yoga classes are often termed as a flow class, which refers to the continuous flow from one posture to the next

YOGALATES: Combines the strength and flexibility exercises of a Yoga class along with the core tightening and strengthening benefits of Pilates to achieve a slimmer physique and better posture

YIN YOGA: Explores the body's deep stretching endurance to cultivate a peaceful and meditative mind. The Yin practice concentrates on keeping joints mobile and the experience quiet and passive with a quality of stillness

YOGALATES WITH SOL RING: A combination of Sol Ring Yoga and Pilates movements to strengthen your core, lengthen the body, and
