

THE AQUA VILLA EXPERIENCE BY PULLMAN

- SEA LIKE NEVER BEFORE -

Pullman is a great believer in balancing work and play, and at Pullman Maldives Maamutaa Resort, there is so much more than just sitting back, sleeping and taking a selfie. The Aqua Villa Experience nurtures childhood curiosities and brings them to life.

THE CONCEPT

The 2 underwater villas offer the chance to enjoy an immersive encounter with marine life from the comfort of your bed, the serenity of diving, without the need for a tank. It is the perfect balance of both play and rejuvenation.

With one submerged bedroom beneath the turquoise waters, be prepared to discover the magic of the ocean whilst enjoying the stylish comfort that we have to offer. The Aqua Villas not only have an aquarium as a bedroom - which provides an open view of the underwater life - but there is also a private infinity pool, a second bedroom looking out across the ocean, and a beautiful open-air bathroom.

The villas are in a prime position to watch the sunrise and are only a short walk away from Sol Rising - the sunrise bar serving healthy breakfast and fresh juices. Complete with a large swimming pool, also facing east, it is the perfect location to relax in the early hours.
