"Over the last challenging period, Pullman Phu Quoc Beach Resort has become a prominent name on Pearl Island's resort map" said Mr. Pieter De Weerd, General Manager. "These promotions reflect our executive leaders' flexibility to adapt and dare to cope with challenges in two years of predicament. With this solid leadership team, we will continue maintaining a strong and flexible balance sheet, investing in our services, pursuing worthwhile goals and creating long-term value for our investor and guests".

Michael Keller has been promoted to Director of Operations, responsible for the comprehensive operation throughout the property. He will continue to be intimately involved in day-to-day Food & Beverage operations, plus overlooking the resort's Lifestyle, Rooms and Landscape divisions. Mr. Keller has been the acting Director of Operations since October 2021. His transition from his Director of Food & Beverage duties is part of a succession strategy to streamline the apparatus in acclimating to the new normal.

Lien Nguyen has been named as Director of Rooms. In this new role, she will continue to lead Front Office and Housekeeping operations while taking on responsibility for guest experience consistency to ensure the resort maintains an appropriate focus on our guests. Lien joined Pullman Phu Quoc Beach Resort as Assistant Director of Rooms in September 2019 with an extensive background in overseeing the front desk team, which has proved invaluable as the property has developed our organization.
