

# MID AUTUMN FESTIVAL 2018

*" This year, let it be our pleasure  
to help you express your love "*

## *The Art of Pleasing*

Mid-Autumn Festival is around the corner. On this occasion, moon cake is an essential part that helps fulfill the joy. It's perfect to be a gift of appreciation, and care to the people that you treasure. This year, let it be our pleasure to help you express your Love.

Inspired from the image of the old village with banyan trees and bamboos, Pullman Moon Cake Box portrays our ambition to remind the Vietnamese people of a traditional Mid-Autumn festival. The shadow of the trees portrayed on black background combined with silver logo and laser cut pattern makes it an elegant gift for this special occasion of reunion.

## PURE LOTUS SINGLE YOLK

## LAVA STRAWBERRY

An extraordinary combination between the tasteful flavor of strawberry and the innovative steamed skin. It's fantastic to sweeten your day.

## LAVA CHOCOLATE

Crafted with premium chocolate for a unique experience of the star mooncake of any reunion time.
