CLIENT TESTIMONIALS

Thank you Prive for the amazing service you provided for my clients at a corporate conference recently. We were able to accommodate 8 ladies for hair and makeup at the conference venue all styled within two hours prior to their gala awards dinner. The communication prior to booking was great and efficient.

- Chrissy

The entire team should be incredibly proud of their efforts and their work, and I would not hesitate for a second to have them back for our event next year, which will be even bigger and better than this year. Prive is total class, total professionalism and the highest quality I have found anywhere.

- Billy Rickman

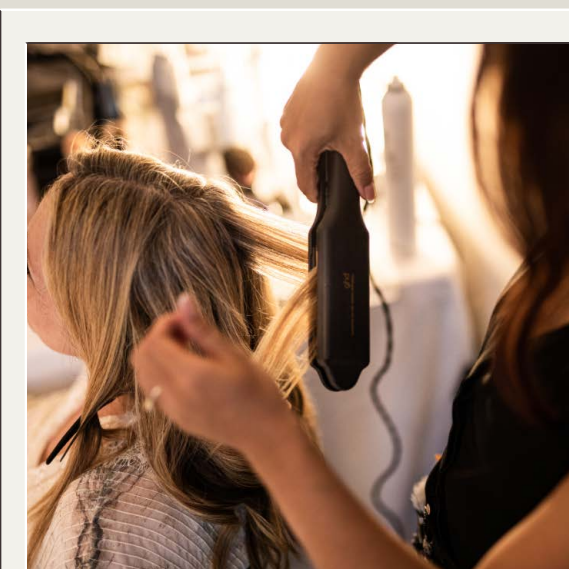

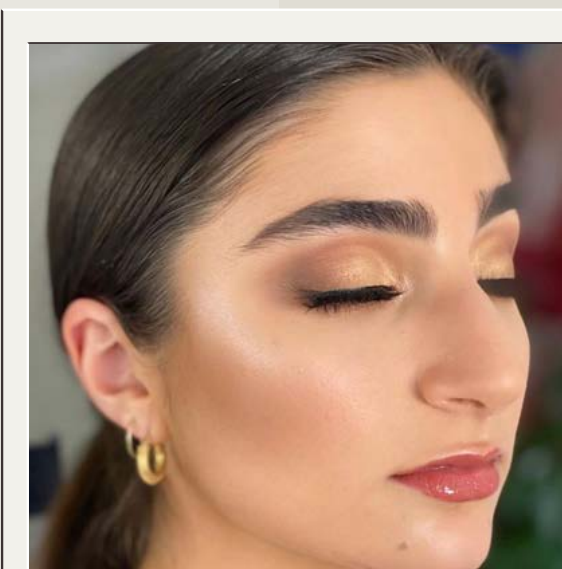

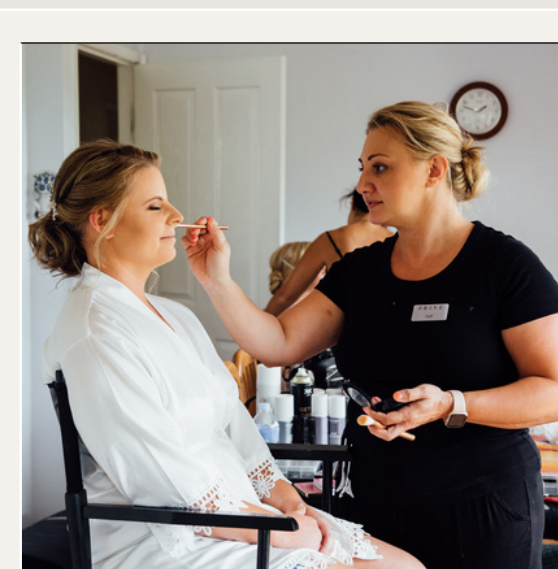

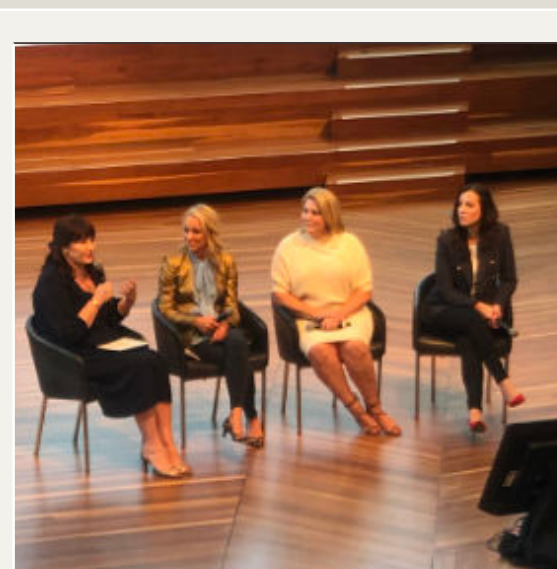

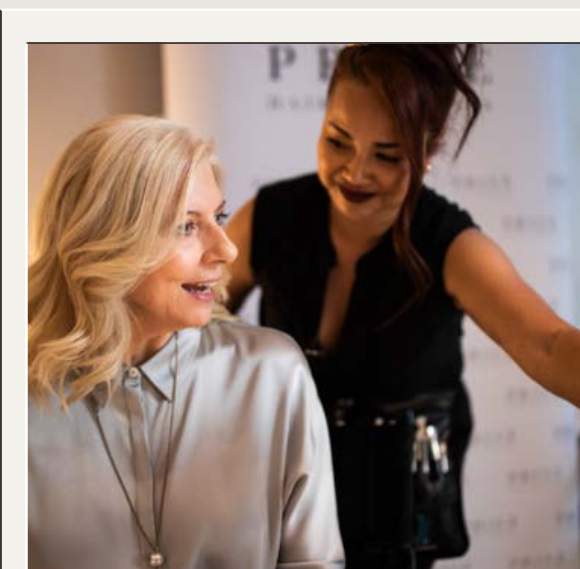

The girls were fantastic! we had a large group of 12 ladies for hair and makeup and they were so kind, and all did a fabulous job. I did the booking through Henry, and he was just as fabulous and easy to deal with. 10/10 would recommend.

- Taigan Caldwell

We have used Prive for a series of Gala Dinners to provide mobile hair and make up for our onstage / on camera presenters, and VIP executives. Prive have been a delight to work with across multiple cities, changing requirements, last minute updates etc. We are delighted to partner with Prive ongoingly, knowing that their team are professional, punctual, exceptionally talented and understand the brief!
