LELAWADEE

Thai Roots, Global Soul

At Lelawadee, we honour tradition and reimagine it. Every dish we serve is shaped by the soul of Thai cooking - fresh herbs, bold spices,time-honoured techniques - and lifted with a touch of modern craft. It's the kind of food we love to cook and you'll love to come back to.

Our kitchen draws from Bangkok's most beloved flavours - think Pad Thai with just the right char, Tom Yum that hits every note, and Green Curry that wraps you in warmth. Alongside these classics, you'll find familiar comfort dishes from around the world, thoughtfully infused with the spices and sauces that speak to our diverse city and its diners.

We proudly serve a curated selection of Thailand's favourites alongside much-loved European, Indian, and global staples - each prepared with authenticity and a chef's touch.Whether it's a fiery Pad Ka Pao, playful Pani Puri, or a Lemongrass Chicken Risotto that balances East and West - we create with care, not shortcuts. Vegan, gluten-free, or full indulgence - we make room at the table for every appetite and preference.

We're not just plating food. We're telling stories - of where we come from, who we've met, and where flavours can take us.If you're not sure what to try, just ask. We're chefs—we love finding the dish that feels like it was made just for you.

Welcome to Lelawadee. Traditional at heart, modern in spirit.
