MOVIE UNDER THE STARS

An upgrade to your usual movie night, watch a cult classic or your favorite family flick under the star-studded sky in a private pop-up cinema amidst the island's lush tropical jungle. Complete the cinematic experience with some homemade popcorn and delicious drinks.

PAINT LIKE A LOCAL

TURTLE RANGERS

Have an educational and eco-inspired afternoon with the family, and learn more about the precious and, sadly, critically endangered Hawksbill Turtles. Curious explorers can sign up as a Turtle Ranger to join our Marine Biologists in protecting these fascinating creatures and even get the chance to name newly identified turtles or guide hatchlings into the oceans.

SCUBA DIVING

Descend into one of Shaviyani Atoll's more than 20 thriving dive sites perfect for deeper explorations; bask in the view of exceptionally colorful coral gardens and glide amongst schools of distinctive tropical fishes. Beginners may enroll in a wide range of PADI specialty courses guided by our expert diving instructors, while advanced divers may opt for a customised session for the ultimate experience.
