

EASTER 2023

Easter Greetings

I wish everyone a happy Easter and warmly welcome you to our idyllic island paradise.
May this holiday be full of love, peace, and joy.

Our thoughtfully-curated Easter programme conveys appreciation for the spectacular ocean surrounding us and pays tribute to the precious marine biodiversity within. As Easter signifies the renewal of life, let this occasion symbolize a renewed commitment to eco-consciousness and allow us to move towards a more sustainable future.

Over the coming weeks, expect exquisite culinary experiences in one of our dining venues. Get onboard Azimut, our luxury yacht, and go on an exceptional ocean excursion around the pristine waters of Shaviyani Atoll. Savor a renewing visit at Fairmont Spa and soak in its jetted pool. Most importantly, join various family-friendly experiences designed to introduce young travellers to the beautiful world around us.

I wish everyone a fun-filled Easter at Fairmont Maldives, Sirru Fen Fushi.

Fairmont Spa

After a day of joy-filled festivities, head to Fairmont Spa, the island's oasis exacting total well-being and bliss.

For the whole month, indulge in a "Wellness Escape Retreat" and immerse yourself into the start of a holistic journey and absolute well-being. These retreats are designed to attend to your unique needs and intentions, supporting you to restore inner balance, regain vitality, and a renewed energy in your life. Choose from either a day or three of specialized wellness programmes: Detox, Rejuvenation, and Transformation.

On April 3-15, treat your loved ones to a "Family Moment" package, and let everyone indulge in a relaxing time. Parents may enjoy a calming herbal oil massage to release tensions and restore energy flow throughout the body. Little ones can relish a pampering massage with a fun bubble bath.

Marine Adventures

Shaviyani Atoll is the perfect location for one unforgettable getaway. To further inspire your holiday, here are other immersive activities you can do:

Sail on a luxury yacht

Charter Azimut, our 43-foot yacht, for a whole afternoon and enjoy a bespoke journey tailored to your preferences. Visit a deserted sandbank, cruise around the island, or go in the middle of the ocean to capture the breathtaking views.

Go on a scuba diving expedition

Go on an exhilarating underwater adventure and let our experts guide you on a diving session. Explore our thriving 9-kilometer-long house reef, observe the manta ray cleaning stations, and admire the beauty beneath the surface.

Join our sunset dolphin cruise

Set out on a boat cruise and keep your eyes peeled in search of dozens of playful dolphins leaping out from the sea. Witness unparalleled views of the beautiful turquoise waters below and the colorful sunset above.

Reel in the reef fishes

Experience the Maldivian way of line fishing with the assistance of our expert anglers. While cruising, get a glimpse of the spectacular seascape with complimentary drinks on hand. Back at the Villas, you have the option to feast on your catch prepared by a personal chef.

Inspiring the New Generation of Eco-conscious Travellers

Our young and old sailors are called to be lifelong stewards of the oceans and navigate with us toward a sustainable future.

Join our passionate and knowledgeable team of marine biologists in exploring the neighboring ecosystem as they endeavor to raise awareness and educate travellers from around the world on how we can protect and preserve the environment in its natural state. As the best days are spent on the water, Sailors may join year-long eco-friendly initiatives such as:

Workshops in the Sustainability Lab

Turn plastic wastes, and ghost nets gathered from the ocean into a personalized souvenir for you to take home.

Coral Planting and Regeneration

Sponsor a coral seeding of your own, build a better home for our aquatic friends, and go back in years to see how it flourished.

Snorkelling Tours of the Coralarium

Gear up and explore the world's first semi-submerged art gallery and the Maldives' first coral restoration project in the form of an art installation that homes over 100 species of fish.

Turtle Ranger Programme

Become a Turtle Ranger and meet Phoebe, Anika, and Kiba, our famous Hawksbill turtles, along with other creatures from the sea. Get the chance to move the sea turtle eggs into safety and even name them.
