THE TRUFFLE TAKEOVER: STRAIGHT FROM PIEDMONT

Every truffle begins as a secret under the forest floor. In Piedmont, hunters follow that secret before sunrise, through misty woods and quiet trails, until the earth gives up its treasure. Then comes the best part: the feast.

The Hunter's Feast brings this ritual to Phuket with Menabrea Bionda, expressive Piedmont wines, truffle-rich Italian dishes, and a cocktail finale made for the island. From the forest floor to the seaside table, this is a journey of scent, flavor, and celebration.
