

Step into the world of MOGA, a modern Japanese Izakaya inspired by 1920s Japan and the Prohibition Era.

Celebrating the spirit of 'Modern Girls' – MOGA for short – , who rebelled against traditional norms in the 1920s, we serve craft cocktails and inventive share plates in a speakeasy setting.

Our signature cocktails reflect Japanese themes and ingredients, embodying the bold spirit of MOGA. Flip the page to uncover our tantalizing creations.

(かんぱい!)

Kanpai!

(かんぱい!)

Pronunciation: "cahn-pie"
English meaning: Cheers!

If you're drinking with a group of people, it's customary to wait until everyone has a drink before taking a sip of yours.

Now, hold your glass and shout "kanpai!"

Koime

(濃いめ)

Pronunciation: "coy-meh"
English meaning: Make it strong

Literally meaning "dense," koime is a word that you should use when you'd like the server to give you a little extra alcohol in your drink. This doesn't work every single time, but many izakayas will happily give you a double instead of a single.

Give it a try at MOGA and see what happens ;)

ayoi
