## **MOGA – Modern Japanese Izakaya**

MOGA takes its name from the modern girls of 1920s Japan – bold, independent women who broke the mold with their modern thinking, western fashion, and unapologetic spirit. Just like them, MOGA is fearless in style and flavour.

We're a modern izakaya built for today: good vibes, great bites, and even better drinks. Think punchy small plates made for sharing, flavour-packed dons and ucons, and a killer lineup of cocktails and premium sake.

Whether it's a power lunch or a night out that lingers – MOGA is where you eat, sip, and vibe.

# LUNCHTIME, THE MOGA WAY

Midday at MOGA hits different. Inspired by the vibrant energy of a modern Japanese izakaya, our new lunch sets serve up bold flavours with zero fuss.

Choose from hearty dons, flavour-packed fried rice, or soul-warming ucons – each set comes complete with miso soup and a crisp salad.

Perfect for power lunches that impress without the pressure – whether you're sealing a deal or just need a well-deserved break.

Fast, satisfying, and full of flavour. Because even lunch deserves a little edge.
