

## *Madison's Wine List*

### **Where Modern Hospitality Meets Timeless Taste**

At Madison's, we like to keep wine uncomplicated and enjoyable—just the way it should be. Inspired by the easy going charm of New York brasseries and the modern, stylish spirit of Pullman, our wine list is built for everyone: the curious sipper, the seasoned traveller, and the “I just want-something-nice-with-dinner” guest.

Our guiding spirit is the **Pullman Porter**—a symbol of warm hospitality, personal touch, and taking care of our guests without fuss. That's exactly how we approach wine: friendly, welcoming, and always ready to help you discover something you'll love.

You'll find classics you know, surprises you might not expect, and bottles that fit whatever mood you're in—whether it's a laid back lunch, a celebratory toast, or a long, easy evening.

**Porter's Choice**, one of the highlights of our list, **features seasonal discoveries personally selected by our Pullman Porter**—wines that bring together creativity, craftsmanship, and a sense of adventure that captures the heart of Madison's. Think of it as our way of sharing what we're most excited about right now.

Most of all, we want you to enjoy the experience. Ask questions, explore, or simply relax and sip—we're here to make every glass feel just right.

**Welcome to Madison's.**

*Let's raise a glass to good taste  
and great hospitality.*
