## OVERTIME FEE

1. Billing is calculated from the time of registration, and the return time is based on the time when the equipment is returned to the rental point and registered.
2. Beyond the set menu time (per 30 minutes), overtime fee will be charged according to the following standards:
  - If the return time is over the set menu time but not over 10 minutes, it will be charged one set menu's fee.
  - If the return time is over the set menu time and over 10 minutes, it will be charged one more set menu's fee.
3. To avoid additional charges, please return the equipment to the rental point in time after use.
