SO/SPA

YOUR ESCAPE FROM

Say 'hello' to the last word in urban wellness.

Experience an exceptional collection of facial,
body and beauty treatments
that transcends the corners of science,
fashion and lifestyle with SO/'s unique sociable vibe.

Brought to you in collaboration with:

/skin
regimen/
modern plant chemistry™

A modern skincare system, clinically proven
to reduce the effects of stress and lifestyle
aging on both skin and mind. Totally functional,
this Modern Plant Chemistry™ skincare contains
high concentrations of botanicals, high-tech
molecules and superfood extracts to effectively
counteract the effects of stress on the skin.

Its 100% natural aroma, paired with cooling
massageable textures and specialty techniques,
are clinically proven to reduce the production of
cortisol over time, leaving you feeling rebalanced,
reenergized and empowered to face your busy day.

Each journey begins with an exclusive
natural aromatic Welcome Ritual, favoring
mind-body relaxation, and combines innovative,
rich in natural-origin and high-tech ingredients
with bespoke application techniques and massages.

A close-up photograph of a person's arm and hand reaching into a white bathtub. The hand is holding a small cluster of red rose petals, poised to drop them into the water. The bathtub is filled with water, and the surface is covered with many red rose petals and a few yellow ones. Ripples are visible in the water where the petals are being dropped. The background is a soft, out-of-focus light color, likely a window or wall.
