ROLES OF THE LEADER

Mr. Ulhas SHETTY
General Manager
Property Sustainability Leader

// Represent the property externally for audits and Ecolabel Certification

Mr. Karel VOLDERS
Executive Assistant Manager
Property Sustainability Champions

// Updates and project reviews with the Regional Director of Sustainability

Mr. Veerapol Niyomyath
Chief Engineer
Sustainability Lead - Stay

// This leader will be key to ensuring that GAIA reporting is complete and accurate for Energy, Water, Carbon and the multi-year plan. Ideally from the Engineering team they will be ensuring our reduction targets are met and reporting uploaded.

Mr. Bart CYWINSKI
Executive Chef
Sustainability Lead - Eat

// This leader will be key to ensuring that Food waste is being managed and reported on a monthly basis. Ideally from the Food and Beverage team, they will be ensuring our baseline is set, reduction targets are met and reporting uploaded.

Ms. Nattakan Satsangeam
Director of Marketing &
Communications
Sustainability Lead – Explore

// This leader will be key to ensuring that our communication with guests is aligned and also that the efforts of your hotel are known and recognized. Ideally from the Marketing or Communications team.

Mr. Tanuth Chongprasit
Director of People & Culture
Sustainability Lead – People

// This leader will be key to ensuring that our Heartists are aware and understand the border of ESG landscape including Watch program and the integrity hotline. Ideally from the P&C or L&D team.
