# NON-TAILS

We have partnered with Lyre's to create alcohol free cocktails.

## **NOT TOM COLLINS** \_\_\_\_\_ \$18

According to some sources, the Tom Collins originated from a joke told in New York in 1874. A group of friends began telling people in bars that a man named Tom Collins was walking around the city, telling falsehoods about them. So it was that many began to go from one bar to another, in search of the slanderer.

Le Salon Rouge have crafted one without the alcoholic punch, but with full flavour using Lyre's Dry London Spirit, Demerara Syrup, Lemon & East Imperial Soda.

## **ESPRESSO NON-TINI** \_\_\_\_\_ \$18

In non-tail legend has it that a young, future supermodel sidled up to a bar and asked us to make her a non-tail that would wake her up but keep her sober.

So we created her a drink using non-vodka, sugar, coffee liqueur and espresso to create a non-tini without the alcoholic punch using Lyre's Dark Spirit, Lyre's Coffee Spirit, Harpoon Cold Brew.

## **NO-JITO** \_\_\_\_\_ \$18

Originally from Havana, Cuba, Le Salon Rouge has crafted a refreshing alcohol-free Mojito, made with Lyre's Cane Liquor, agave, lime, muddled with fresh mint and a splash of lime, topped with East Imperial soda water for a perfect fizz.

## **NON-GRONI** \_\_\_\_\_ \$18

Legend has it that the Negroni originated at Caffè Casoni, which is situated in the City of Dreams, also known as Florence, Italy. Le Salon Rouge have crafted one without the alcoholic punch, but with full flavour using Lyre's Dry London Spirit, Lyre's Aperitif Rosso & Lyre's Italian Orange.

### **I DON'T WANT TO SET THE WORLD ON FIRE** \_\_\_\_\_ \$12

If you could taste the coal smoke from the old steamer Earnslaw that has been cruising Lake Whakatipu since 1912, I am sure it tastes like this! A mixture of summer Central Otago apricot, vanilla, lemon and a little spice.

Benjer Apricot Juice, Charcoal Orgeat, Vanilla, Lemon and Kaitaia Fire Hot Sauce.

### **DON'T SIT UNDER THE APPLE TREE** \_\_\_\_\_ \$12

Settlers tried to plant apple trees but they became known for falling on houses and people as the trees grew larger, due to the earth not being suitable to support their root systems. This drink is sure to not cause you any pain though. Juice made with the apples from the fallen trees, cranberry juice, rhubarb, strawberries & East Imperial Soda.

### **MOOD INDIGO** \_\_\_\_\_ \$13

An elixir of choice for those looking to avoid the vices of alcohol. Includes orange juice, cherry preserve, cinnamon, agave and apple cider vinegar. Topped with world famous in New Zealand Lemon and Paeroa, or as the locals say L&P.

### **AIN'T SHE SWEET** \_\_\_\_\_ \$14

A vendor out on the Central Otago goldfields sold this drink as a remedy to heal fatigue. Pineapple juice, mint, cucumber and lime, topped with award winning East Imperial Ginger Beer.
