Sustainable Program

Towel and bed linens cleaning

We are committed to preserving our natural resources!

Millions of litres of water are used to wash towels and bed linens that have only been used once. You may see from our display cards in the room on how all of us can help to make a better world together.

Let's save water, save energy and minimize the release of detergents into the environment.

Eco-conscious Transportation

Traveling around Bangkok is easy. Opting for public transportation is a proactive step towards minimizing various forms of pollution. Presented below are our recommendations to support your eco-conscious journey.

BTS Skytrain (Best eco option):

_Reach Ratchathewi or Chit Lom
BTS stations with only 10 minutes
walk to our hotel.

Extended Options:

_Public Buses: Access nearby
bus stops for efficient city travel.

_Tuk-Tuks & Taxis:
Choose eco-friendly
and electric options
when needed.
