

The background of the entire page is a photograph showing the silhouettes of five business professionals in a modern meeting room. They are standing and holding documents, engaged in a discussion. The room has large floor-to-ceiling windows that offer a view of a sunset over a body of water. The sun is low on the horizon, creating a warm, golden glow that fills the room and is reflected on the polished floor. The silhouettes of the people and their chairs are clearly visible against the bright light from the window.
