Sustainability Management Plan Key Areas

I. Environmental

VIE Hotel Bangkok will be actively involved in conserving resources, reducing pollution, conserving biodiversity, ecosystems & landscapes, and local community environmental activities. We need to share space with Nature

II. Socio-cultural

VIE Hotel Bangkok will be involved in corporate social responsibility actions, community development, local employment, fair trade, support local entrepreneurs, respect local communities, implement a policy against commercial exploitation, equitable hiring, employee and child protection.

III. Quality

Any activity that can sustain itself economically through creating competitive advantages within the industry with inspired service that not only meets, but exceeds guest expectations; it continues to contribute to the economic well-being of the surrounding community through local ownership,

employment, buying local products, etc. A sustainable business should benefit its colleagues, customers, business partners, owners, other stakeholders.

IV. Health & Safety

VIE Hotel Bangkok complies with all established and local health and safety regulations, and ensures that both guest and colleagues are safe and secure in the environment they work and visit. Vie Hotel Bangkok employ a safety officer on a full time basis to make sure that we comply with all relevant legislation

Implement a Sustainable Management Plan:

VIE Hotel Bangkok hotel shall establish and maintain the SMP complying with requirements included in this section. There are number of elements that make up the SMP as shown below:

Legal Compliance

VIE Hotel Bangkok is licensed according to national law and in compliance with all relevant international or local legislation and regulations, including health, safety, labor, environmental aspects, and insurance policies.

Employee Learning

We carefully recruit the best employees to work at VIE Hotel Bangkok, we train and stimulate our fellow employees and ourselves so that the service we give will be performed with courtesy and an ever-increasing degree of intelligence, care and pride, but without waste or extravagance. Our full time dedicated L&D Manager has specifically created and curated training program to raise awareness of our employees. The first of our 5 Golden pillar is our employees and they are key to deliver our ESG message to our guests. They need to fully understand and endorse our philosophy through training and awareness when it comes to ESG

Service Quality & Customer Satisfaction

At VIE Hotel Bangkok: **“We put our heart in everything we do”**, this is our Golden Role.

We take great proud of what we do. Our second golden pillar is our guest satisfaction and we always strive to exceed guests expectations .Customer satisfaction depends on the united efforts of many, we are most successful when we work together cooperatively with everyone, and respect the contribution and importance of our fellow workers. We win as a team!

We have our internal system to evaluate our performance and ensure that we exceed the expectations of our colleagues, guests and shareholders, this system allows managers to observe employees and provide constructive feedback whenever needed.

Guest feedback is highly valuable for us and it helps us to improve every day, therefore, we have online “Guest Satisfaction Survey” that our guests receive upon their departure, it consists of some questions about how the stay was and what we can do to make them even happier. We shall ask them about our sustainability in our business, their perceive feeling about it and how we can improve.

We also have partnership with third parties to provide us with guest feedback, openly or by conducting Mystery audit to help us in improving and developing our services.

Accuracy of Promotional Materials

All communication regarding promotional material at VIE Hotel Bangkok goes through the Sales, PR and Marketing team and is in line with Accorhotels guiding principles, local regulations and cultural norms. Any dissatisfaction from our guests is tracked through the guest feedback form and many other channels. All our marketing collateral either Offline or Online is created by our team to make sure that we control our branding, visibility and that our message is align with our business goals and is constant.

Ongoing preventive maintenance and repairs are performed regularly with the purpose of being as sustainable, energy efficient and long lasting as possible, and includes use of environmental friendly materials. Every effort is been made to ensure that all appliances that have been purchased for operating the hotel are energy efficient.

Interpretation

We inform our guests about the local environment, local culture and cultural heritage through various means; may it be electronic via our TV systems and also verbally from our colleagues. Community lectures are carried out to educate community about sustainability.

Communications Strategy

All colleagues will receive training on environmental challenges and how to be part of the solution. Awareness training is being conducted for new employees as part of their induction program, employees receive more training in their respective areas in the hotel as well as the housing, in how to use energy and water efficiently and how to reduce the waste.

We communicate with our guests and visitors to the hotel and the website in a comprehensive manner. Our implementations, plans and strategy for a sustainable operation are clearly defined, as well as our involvement with the local community and other charity work. Our sustainable operations involve our guests, employees, suppliers and stakeholders.

Health and Safety

Our Goal: work safely at all times; think about hazard prevention in all that we do; minimize accidents so that we, as Employees, can feel comfortable and confident at all times in our work environment and be proud of our commitment to safety.

The management of VIE Hotel Bangkok has developed a comprehensive Accident and Injury Prevention Program, the goal of this program is to minimize the frequency of and severity of accidents involving employee members and to comply with the local laws and regulations that relate to our hotel. The program has been designed to eliminate physical hazards from the work environment and to train employee members in safe work practices.

A full time safety officer is employed and carry regular routine visit and audit around the building to spot any defect in material. Officer also perform regular training and has regular meeting with General Manager to report on her findings.

Accident prevention is a vital element of any successful organization, we recognize that accidents does not only cause physical and mental pain to employee members, but are also costly in terms of lost productivity and profit. Efficient accident prevention can be directly related to increased profitability for our business, which is something that benefits all of us.

While the final responsibility for the safety program lies with the managers and supervisors, the program cannot succeed without the full cooperation of all employee members. Everyone must be on hundred percent safety conscious in everything he or she does while on the job. We are confident that with a sincere and concentrated effort from everyone, our safety goals can be achieved.

As per the national law, we follow strict security, environmental, health and safety laws, regulations and procedures to conserve and protect the environment and create a workplace where we bring the best out of our colleagues whilst avoiding the risk of injury.

Colleagues are appropriately trained with recorded attendance to make them aware the health and safety issues while working and guests are made aware of hazards by using appropriate signage and other form of communication.

VIE Hotel Bangkok's colleagues in all departments have been trained on basic First Aid & Life Support.

Purchase and operating policy for all mechanisms, equipment and facilities is that they be as environmentally friendly as possible: low emission and consuming minimum energy. We have an experienced team of engineers and technicians who maintain the facilities etc., so that we have constant check on them being in good working condition. Preventive maintenance is key.

All necessary and mandatory safety requirements for the same are in order, such as Risk Assessment and Personal Protective Equipment.

Local Law enforcement agencies frequently visit the premises to ensure all emergency systems are in order, besides, there are audits conducted such as HACCP audits to ensure compliance to

the Food Safety Management System. New kitchen employee is trained on safety and procedures, and must undergo a mandatory basic food hygiene course in food handling.

Social/Economic

At VIE Hotel Bangkok, we are committed to make life of people and Nature better!

We have built our **ESG Committee**, a group of passionate from all departments who will be driving all environmental and green activities. Our chairperson is our Talent and culture Manager followed by our General Manager.

ESG Committee are responsible for:

- The first assignment was obtaining the Green Globe Certification.
- Spread the awareness about the environmental challenges, the issues that our planet is facing and the importance of being part of the solution.
- To come up with creative green ideas in all areas to save energy & water and to reduce the waste. - Driving internal and external green & CSR activities.
- To be part of the local environmental communities and non-profit organizations.
- Participate in all environmental activities when organized by local organizations.
- Ensure having consistent and proper communication between all colleagues about all environmental activities.
- Give back to our community by participating in charity and donation events.

At VIE Hotel Bangkok, we are taking major steps to increase the awareness between our colleagues and make them behave and act every day while thinking about our environment and its challenges, and how we can be part of the solution.

Our ESG Committee is taking vital initiatives in all departments to ensure we are using all resources of energy in efficient way, reduce water consumption as well as reducing the waste.

Our hotel adheres to all local laws and regulations concerning labor laws, and offer conditions and wages superior to the minimum requirements.

VIE Hotel Bangkok employs people of many nationalities – currently we have 7 different nationalities. Women candidates are encouraged to apply across all levels of the business.

Gender equality

VIE Hotel Bangkok commits to gender equality as a real practice and influences all of the procedures and processes implemented to ensure equal opportunity and prevent discrimination.

Gender equality in the company: Female (49 percent); Male (51 percent)

Gender quality in executive leadership: Female (45 percent); Male (55 percent)

Employee Protection

Salaries and benefits meet national regulations, and all payments required by law into Social Security Fund and Personal Income Tax are made on behalf of all employees. Overtime is paid for hours worked according to Thailand labor law. Week hours and working hours do not exceed the legal maximum established by the labor law, but being a hospitality industry at times a need might arise to work additional hours, colleagues are accordingly remunerated as per the policies outlined.

Basic Services Environment

The activities of the business have not impacted or jeopardized resources or services in the local area or neighboring communities in any negative manner. The activities of the business generate a number of secure jobs and reflects positive influence in the community

Culture Heritage

The employee at VIE Hotel Bangkok is trained to guide guests towards the cultural sights and events and/or entertainment/ restaurants that the guests are most interested in. Local Thai culture can be explained and discussed with guests, mainly in a nice-to-know form, guest can read through the basic do's and don'ts in their complementary tourist guide or can easily discuss it with our concierge team

Historical and archeological artifacts are not sold, traded, or displayed. Business complies with laws, standards and regulations concerning the protection of historical sites and cultural heritage.

VIE Hotel Bangkok places great emphasis on being a part of the local environment in regards to cultural and social activities, as well as incorporating use of local food and competencies from local businesses.
