HONEYMOON PACKAGE

# *Honeymoon Bliss*

Celebrate the beginning of your forever in the tropical charm of Phu Quoc Island. Whether it's a sunset stroll on the beach, a candlelit dinner under the stars, or a rejuvenating spa session for two, Novotel Phu Quoc Resort offers the perfect setting for romance.

Enjoy elegant accommodations, thoughtful touches, and moments designed just for you — because your honeymoon deserves nothing less than paradise.

## *Celebrate love in timeless elegance*

As the sun sets across the water and gentle waves brush the shore, it's time to slow down and truly feel each other's presence. In a peaceful and private space, each morning begins softly — like a quiet blessing for your new chapter.

A cozy room, sparkling wine in the golden light, and a candlelit dinner for two — every detail is thoughtfully curated to mark the sweet beginning of your life together.

## *Flavors of love in every course*

As the sun gently sets and a private, secluded space embraces the evening, a candlelit table awaits — prepared with care just for the two of you. The soft flicker of candlelight, the breeze brushing lightly across your skin, and the distant sound of a tender melody come together to create a dreamy setting for love to unfold.

The menu is a refined harmony between local flavors and contemporary culinary style, paired with a glass of sparkling wine — a toast to your new journey ahead. Each dish, each moment, is thoughtfully curated not only to delight the senses but to awaken the deepest emotions within.

This is more than a meal. It's a memory – the kind that lingers long after the night ends.
