

SABRAGE

Special occasions deserve spectacular traditions. Pulling out a sword and cracking open a bottle, now there's a move that got class. It's drinking Champagne, the French way.

Champagne sabrage is the rather glorious art that goes back more than a century. Legend has it that Napoléon's cavalry used the trick for celebratory bubbles on the go, in the days of the French Revolution. Decadent n'est-ce pas?

Corks fly, Champagne bubbles over, crowd cheers and glasses clink. Once you witness this spectacle, merely popping Champagne will forever feel mundane. Join the merry-makers and celebrators of Champagne and discover the art of sabrage, only at Champagne Bar.

Have your bottle of Champagne sabred for an additional \$25 with our compliments for Champagnes over \$299. Receive your sabraged cork, safely contained, as a memento of your experience.
