WINE *List*

“*Wine is the only
artwork you can drink*”

- Luis Fernando Olaverri -

Villa Hua Hin Thailand are proud to present our new "Core Wine List Program". Wine is an important part of the experience of staying at our resort and this program, which was personally selected by our team of Wine Gurus, ensures that your expectation of a great wine experience is fulfilled. The "Core List" is selected from all of the great wine regions of the world, including "New Latitude" wines from Thailand. All of the wines on the core list are marked with an asterisk to inform you that not only this resort serves the wine but all of the Resorts across Thailand, ensuring that it has also been selected by all of our Wine Gurus.

The wines on this list have been grouped by style to allow for ease of selection. Our Wine Guru has assembled this list and put them into the category that best suits the style that are most appropriate for the wine dining.

Whether you want a clean, bright and refreshing glass in the afternoon by the pool or an elegant, complex glass of red with dinner or that special bottle with a fantastic meal, our "Core List" and our Wine Gurus will do their best to make sure that your wine experience is exceptional at Willa Hua Hin .
