III. Quality

Any activity that can sustain itself economically through creating competitive advantages within the industry with inspired service that not only meets, but exceeds guest expectations; it continues to contribute to the economic well-being of the surrounding community through local ownership,

employment, buying local products, etc. A sustainable business should benefit its colleagues, customers, business partners, owners, other stakeholders.

IV. Health & Safety

V Villas Hua Hin MGallery Hotel Collection complies with all established and local health and safety regulations, and ensures that both guest and colleagues are safe and secure in the environment they work and visit. V Villas Hua Hin MGallery Hotel Collection employ a safety officer on a full time basis to make sure that we comply with all relevant legislation.

Implement a Sustainable Management Plan:

V Villas Hua Hin MGallery Hotel Collection hotel shall establish and maintain the SMP complying with requirements included in this section. There are number of elements that make up the SMP as shown below:

Legal Compliance

V Villas Hua Hin MGallery Hotel Collection is licensed according to national law and in compliance with all relevant international or local legislation and regulations, including health, safety, labor, environmental aspects, and insurance policies.

Employee Learning

We carefully recruit the best employees to work at V Villas Hua Hin MGallery Hotel Collection, we train and stimulate our fellow employees and ourselves so that the service we give will be performed with courtesy and an ever-increasing degree of intelligence, care and pride, but without waste or extravagance. Our full time dedicated L&D Manager has specifically created and curated training program to raise awareness of our employees. The first of our 5 Golden pillar is our employees and they are key to deliver our ESG message to our guests. They need to fully understand and endorse our philosophy through training and awareness when it comes to ESG

Service Quality & Customer Satisfaction

At V Villas Hua Hin MGallery Hotel Collection: **“We put our heart in everything we do”**, this is our Golden Role.

We take great proud of what we do. Our second golden pillar is our guest satisfaction and we always strive to exceed guests expectations. Customer satisfaction depends on the united efforts of many, we

are most successful when we work together cooperatively with everyone, and respect the contribution and importance of our fellow workers. We win as a team!

We have our internal system to evaluate our performance and ensure that we exceed the expectations of our colleagues, guests and shareholders, this system allows managers to observe employees and provide constructive feedback whenever needed.

Guest feedback is highly valuable for us and it helps us to improve every day, therefore, we have online "Guest Satisfaction Survey" that our guests receive upon their departure, it consists of some questions about how the stay was and what we can do to make them even happier. We shall ask them about our sustainability in our business, their perceive feeling about it and how we can improve.

We also have partnership with third parties to provide us with guest feedback, openly or by conducting mystery audit to help us in improving and developing our services.

Accuracy of Promotional Materials

All communication regarding promotional material at V Villas Hua Hin MGallery Hotel Collection goes through the Sales, PR and Marketing team and is in line with Accorhotels guiding principles, local regulations and cultural norms. Any dissatisfaction from our guests is tracked through the guest feedback form and many other channels. All our marketing collateral either Offline or Online is created by our team to make sure that we control our branding, visibility and that our message is align with our business goals and is constant.

Interpretation

We inform our guests about the local environment, local culture and cultural heritage through various means; may it be electronic via our TV systems and also verbally from our colleagues. Community lectures are carried out to educate community about sustainability.

Communications Strategy

All colleagues will receive training on environmental challenges and how to be part of the solution. Awareness training is being conducted for new employees as part of their induction program, employees receive more training in their respective areas in the hotel as well as the housing, in how to use energy and water efficiently and how to reduce the waste.

We communicate with our guests and visitors to the hotel and the website in a comprehensive manner. Our implementations, plans and strategy for a sustainable operation are clearly defined, as well as our involvement with the local community and other charity work. Our sustainable operations involve our guests, employees, suppliers and stakeholders. As we used to support local organization for example support Hua Hin hospital during covid-19, support blind children school at Cha-Am district, support local product to sell in V Gallery and ETC.

Health and Safety

Our Goal: work safely at all times; think about hazard prevention in all that we do; minimize accidents so that we, as Employees, can feel comfortable and confident at all times in our work environment and be proud of our commitment to safety.

The management of V Villas Hua Hin MGallery Hotel Collection has developed a comprehensive Accident and Injury Prevention Program, the goal of this program is to minimize the frequency of and severity of accidents involving employee members and to comply with the local laws and regulations that relate to our hotel. The program has been designed to eliminate physical hazards from the work environment and to train employee members in safe work practices. A full time safety officer is employed and carry regular routine visit and audit around the building to spot any defect in material. Officer also perform regular training and has regular meeting with Resident Manager to report on findings.

Accident prevention is a vital element of any successful organization, we recognize that accidents does not only cause physical and mental pain to employee members, but are also costly in terms of lost

productivity and profit. Efficient accident prevention can be directly related to increased profitability for our business, which is something that benefits all of us.

While the final responsibility for the safety program lies with the managers and supervisors, the program cannot succeed without the full cooperation of all employee members. Everyone must be on hundred percent safety conscious in everything he or she does while on the job. We are confident that with a sincere and concentrated effort from everyone, our safety goals can be achieved.

As per the national law, we follow strict security, environmental, health and safety laws, regulations and procedures to conserve and protect the environment and create a workplace where we bring the best out of our colleagues whilst avoiding the risk of injury.

Colleagues are appropriately trained with recorded attendance to make them aware the health and safety issues while working and guests are made aware of hazards by using appropriate signage and other form of communication.

V Villas Hua Hin MGallery Hotel Collection's colleagues in all departments have been trained on basic First Aid & Life Support.

Purchase and operating policy for all mechanisms, equipment and facilities is that they be as environmentally friendly as possible: low emission and consuming minimum energy. We have an experienced team of engineers and technicians who maintain the facilities etc., so that we have constant check on them being in good working condition. Preventive maintenance is key.

All necessary and mandatory safety requirements for the same are in order, such as Risk Assessment and Personal Protective Equipment.

Local Law enforcement agencies frequently visit the premises to ensure all emergency systems are in order, besides, there are audits conducted such as HACCP audits to ensure compliance to the Food Safety Management System. New kitchen employee is trained on safety and procedures, and must undergo a mandatory basic food hygiene course in food handling.
