

Signature Cocktail

Our Painting

Just like artists start with a blank canvas, our bartenders use flavors, techniques, and imagination to paint each cocktail. The signatures are not just drinks, but expressions of art in a glass. The idea is to create cocktails that embody our playful and artsy character, modern yet approachable.

You should feel like they're part of an art gallery where every sip is a masterpiece.

When Classic Meet Modern Arts

Every great creation has its roots, and cocktails are no different. This section is our tribute to the classics: Old Fashioned, Martini, Negroni, and more. Beyond the icons, we also revive forgotten cocktails—beverages once loved, but rarely seen today. We spotlight those recipes as they shape the craft & creativity at the heart of modern mixology

By placing them in our menu, we remind guests that BUNK doesn't just follow trends—we respect history while giving it a contemporary twist.
