Signature Cocktail

Our Painting

Just like artists start with a blank canvas, our bartenders use flavors, techniques, and imagination to paint each cocktail. The signatures are not just drinks, but expressions of art in a glass. The idea is to create cocktails that embody our playful and artsy character, modern yet approachable.

You should feel like they're part of an art gallery where every sip is a masterpiece.

Classic Cocktail

When Classic meet Modern Arts

Every great creation has its roots, and cocktails are no different. This section is our tribute to the classics: Old Fashioned, Martini, Negroni, and more. Beyond the icons, we also revive forgotten cocktails—beverages once loved, but rarely seen today.

We spotlight those recipes as they shape the craft & creativity at the heart of modern mixology.

By placing them in our menu, we remind guests that BUNK doesn't just follow trends—we respect history while giving it a contemporary twist.

Why Not to Zero Proof?

Not every guest enjoys alcohol, and we believe everyone deserves to experience artistry in a glass. They are not just alternatives, but original creations that stand proudly beside our signature cocktails.

It also aligns with modern trends of mindful drinking, giving you more choices without losing the playful and artsy spirit of BUNK.
