Festive Season 2025

Illuminating Tradition, Embracing Serenity

At Sofitel Phnom Penh Phokeethra, the gentle glow of candlelight turns everyday moments into lasting memories. Inspired by the historic lights of Paris, our candle ritual invites you to pause, reflect and enjoy a sense of warmth, tranquility and connection.

Each evening, guests are encouraged to light a candle, either in their room or in a designated space within the hotel. The soft flicker offers a moment of calm, creating an atmosphere of serenity and joy that enhances every guest experience.

Rooted in Parisian tradition, where streets, monuments, and landmarks have long celebrated the beauty of light, our ritual connects the past with the present. It honors heritage while offering space for reflection, togetherness, and celebration.

Whether exploring Phnom Penh for the first time or returning to familiar comforts, the Candlelight experience is a timeless celebration of beauty, warmth, and shared joy, where every glowing moment becomes a cherished memory.
